# MINNESOTA MANUFACTURED™

Technical Education Conference 2023

This conference connects educators directly with manufacturers, and promotes the sharing of knowledge and best practices.

Attendees can hone their skills in machining, welding, mechatronics, and quality in manufacturing through intensive hands-on workshops.

Attendees can also attend multiple breakout sessions, attend a manufacturing tour, and develop partnerships.

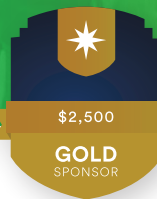

## Sponsor Us Today!

We invite you to sponsor 2MTEC, which provides professional development for CTE Educators throughout Minnesota and the Midwest.

We have four sponsorship levels that include statewide marketing exposure, complimentary registrations, and featured promotion of your business!

## Sponsor the 2MTEC Conference

## Support Today's Educators

Your sponsorship will have a lasting impact on educators and the pipeline of manufacturing talent.
